

Updated Trail/Map Address List of Barn Quilts on the Barn Quilts of Central MN Trail

This is an updated address list of barn quilts that are presently up for viewing. Please be aware that some of these are on unpaved roads. **BOLD names** indicate they are up and ready to view. **** (Two stars) Indicate barn quilts that are not included on the published Trail Map of 2017.** Watch the addresses as the barn quilts added after the published list are not in order of location on a map. The trail map is available at the Staples Depot and most local chamber of commerce places. Other people have barn quilts up but have chosen not to be part of the trail so keep your eyes open for those too!

These barn quilts were made possible by grants from the Staples Motley Area Community Foundation, the Staples Motley FFA & community volunteers, the Staples Motley Area Arts Council, and by the voters of Minnesota through a grant from the Five Wings Arts Council, thanks to a legislative appropriation from the Arts and Cultural Fund. Also, many individuals have made their own barn quilt and added it to this trail. Thank you everyone! We started this project in October of 2015 and will soon have over 75+ barn quilts on the trail!
