

This is a list of barn quilts that are presently up on our trails. Please note that some of these are on unpaved roads.

These barn quilts were made possible by grants from the Staples Motley Area Community Foundation, the Staples Motley Arts Council and by the voters of Minnesota through a grant from the Five Wings Arts Council, thanks to a legislative appropriation from the Arts and Cultural Fund. We also wish to thank the Staples Motley FFA, community volunteers, Mrs. Schneider and the Staples Motley High School Art Design II Class. Also, many individuals have made their own barn quilt and added it to this trail. Thank you everyone!

BOLD names indicate they are up and ready to see!

****indicate barn quilts not in the trail map/brochure** published August 2017 (available at the Staples Depot)

Other people have barn quilts up but have chosen not to be part of the trail, so keep your eyes open for those too!

***not in brochure and not yet be up (waiting for warmer weather and frost to leave the ground)*

Red indicates name not the same in the dropbox icon list sent by Beth.
